

Ambassador Parking Lot Policy

The following Parking Lot Policy was adopted on March 31, 2015 (updated with current contact information, May 2023.) This policy supersedes any prior decisions in regard to the parking lot at The Ambassador Condominiums.

The parking lot adjacent to the Ambassador is owned and operated by NAI Elliott. The Association is not responsible for maintenance, management, or security of the parking lot, nor for vehicles or property stored in the lot.

The Association assumes no liability for theft, loss, or damage to vehicles, property, or persons in the lot.

Issues concerning the parking lot may be reported by contacting NAI Elliott at 503-224-6791.

All Ambassador residents have access to the pedestrian gate to the parking lot by means of a key issued by the Association. Residents using this entrance should make every effort to ensure that this gate is firmly closed behind them.
